This Order is entered to provide a timetable for final action in this case.

**IT IS THEREFORE ORDERED:**

1. **Administrative Expenses and Professional Fees:** All applications for award of compensation or expenses to a trustee, examiner, attorney or other professional person and all other motions for allowance of administrative expenses shall be served and filed within 30 days after the date of this order.

2. **Objections to Claims:** Any claim objection shall be served and filed within 30 days after the date of this Order or 30 days after the claim was filed, whichever is later.

3. **Report:** The debtor or trustee shall file as required by 11 U.S.C. §1106(a)(7) a report covering the action taken by the debtor or trustee and the progress made in the consummation of the plan within 30 days after the date of this Order.

4. **Other Proceedings:** Any other adversary proceeding, contested matter, motion, or application shall be filed within 90 days after the date of this Order. Any time period in this Order may be extended or waived by the Court for cause after notice and a hearing. 5. **Clerk's Charges and Report Information:** A separate Order has been or will be entered to require payment of excess notice charges and to report certain information with respect to all payments made postpetition to date of the confirmation of the plan and all payments paid or to be paid thereafter for preconfirmation debts or expenses.

**REV 4/94**

**INSTRUCTIONS:**

The clerk is required to report to the Administrative Office in Washington, DC regarding money paid postpetition but preconfirmation and paid or to be paid under a confirmed Chapter 11 plan, including administrative expenses which includes operating expenses of the business, if any, claims of secured and unsecured creditors, equity security holders, if any, and other distributions if any. Payments to be made in the future must necessarily be estimated based upon the exact future payments provided for by the provisions of the plan which in effect the court has found likely to be paid under 11 U.S.C. §1129(a)(12). If any item is not clear, please call the judge's case manager for further information. Each item should be answered. If the answer is "none", so state. Remember that all payments made postpetition to date and all payments to be made hereafter for preconfirmation debts or expenses including all attorney fees in the case are to be included and combined if necessary to answer each item listed below. Upon receipt of this information and after expiration of 90 days from the date of confirmation, the case may be considered fully administered and will be closed.
